

**CITY OF EVANSTON SUPERVISOR REPORT  
EMPLOYEE INJURED ON DUTY**

It is the responsibility of the employee's supervisor to immediately investigate the injury and forward a completed report thru channels to the Safety/Risk Management Department. The unsafe acts of persons and the unsafe conditions that cause accidents can be corrected only when they are specifically known and reported. This report is to be printed in ink and returned to Training/Personnel by the end of the work shift during which the accident occurred.
